

## Black Cumin Seed Oil Black Cumin Seed Oil with Bio-Curcumin®

*Balance Immune Support  
and Inflammation Control*

**Item #01709/01710 • 60 softgels**

### BLACK CUMIN SEED OIL

As we age, a *balanced immune* and *inflammatory* response becomes critical to guarding our health.<sup>1-5</sup> Research has shown **Black Cumin Seed Oil** to be particularly effective.<sup>6-8</sup>

Scientists have determined that **black cumin seeds** contain a *broad spectrum* of active compounds.<sup>6</sup> Combined, these compounds provide powerful and wide-ranging *immune* support and promote healthy *inflammatory* response.<sup>6,7</sup>

A number of biological factors contribute to the body's normal inflammatory activity, including cell-signaling chemicals and hormone-like messengers.<sup>8</sup> In a series of scientific studies, **Black Cumin Seed Oil** has been shown to support the normal effectiveness of these inflammatory factors.<sup>6,7</sup>

Also, an aging, healthy immune system needs to orchestrate the activity of macrophages and helper T-cells that work together to identify and destroy dangerous microbes and abnormal cells. **Black Cumin Seed Oil** was also shown to support the optimal function of these vitally important defensive activities.<sup>9-11</sup>

### A BALANCED INFLAMMATION RESPONSE

By acting on *both* immune factors *and* inflammatory factors, **Black Cumin Seed Oil** supports a healthy immune system — which is increasingly important as we age — and facilitates a **healthy inflammatory response!**

And since **curcumin** possesses some of the properties of **black cumin seed oil**, some people might want to take both nutrients in the same capsule. So **Black Cumin Seed Oil with Bio-Curcumin®** is a natural combination for improving your health and extending your life!

Item #01710

The transition to this new look will  
happen over time.

#### Each softgel contains (Item #01709):

Thymocid™ organic black cumin ..... 500 mg  
seed oil (*Nigella sativa*)  
Other ingredients: gelatin, glycerin, purified water.

#### Each softgel contains (Item #01710):

Thymocid™ organic black cumin ..... 500 mg  
seed oil (*Nigella sativa*)  
BCM-95® Bio-Curcumin® turmeric ..... 200 mg  
25:1 extract (root) [std. to 95% Total  
Curcuminoids Complex with Essential Oils  
of Turmeric Rhizome by HPLC (190 mg)]  
Other ingredients: gelatin, glycerin, purified  
water, beeswax, carob color, sunflower lecithin.

#### Dosage and use (Item #01709/01710):

Take one softgel twice daily with or without food,  
or as recommended by a healthcare practitioner.
